About Featured Speaker, Janet (Folger) Porter

Janet (Folger) Porter is the Founder and President of Faith2Action, a nationwide organization formed to WIN the culture for life, liberty, and a champion for the family.

Janet is also the architect of the pro-life Heartbeat Bill which ensures that "if a heartbeat is detected the baby is protected."

Heartbeat Bills have been introduced in 30 states and passed in 15 (and counting). Heartbeat Laws ensure that instead of abortion stopping a beating heart, a beating heart will stop abortion.

Janet is a sought after speaker and apologist for Biblical and Constitutional values. She has authored six books including: *A Heartbeat Away: How the Heartbeat Bill Will Pierce the Heart of Roe v. Wade*, *The Criminalization of Christianity*, and *True to Life*. Janet shows her funny side in her book *What's a Girl to Do While Waiting for Mr. Right* which has been developed into a refreshing TV sitcom series. So far, 1 season with 10 episodes has been filmed.

In 2015 she produced her first film: *Light Wins: How to Overcome the Criminalization of Christianity*, designed to enlighten and equip Christians to push back the darkness threatening marriage and our freedoms.

She hosted a 60-second daily radio commentary that aired in more than 300 markets for nearly twenty years and a one-hour syndicated radio program for seven years. She appeared on countless news and television programs.

When Janet served as Legislative Director of Ohio Right to Life (1988-1997) she successfully lobbied for passage of the nation's first Partial-Birth Abortion Ban. She also secured passage of other protection laws and safety measures including: the Woman's Right to Know Law, the 24-Hour Waiting Period, Parental Consent, Fetal Homicide, Clinic Regulations, Adoption Reform, Patient Protection, and De-funding of Abortion.
